Not yet.

Actually, the response was not due on the 18th. The due date is 30 days from the receipt of the letter – which we usually know from the signature on the green card. Unfortunately, in this instance the person signed the card but did not date it so I don't know the date that they actually received it.

I do know however that EPA got the green card back and date stamped it on 9/30. So, I'm going to give them until 10/29 to respond.

Subject: info request response received from Flint Hills?

Good morning Cheryl!

Did you receive a response from FLINT HILLS RESOURCES ALASKA, LLC NORTH POLE REFINERY (AKD000850701) for the 3007 Info Request sent on 9/16/13? The response was due on 10/18/2013. If we did receive the response, I'll need to add the date we received it into both RCRAInfo and ICIS.

Thank you!

Jo
